

SCHOOL DISTRICT OF GREENFIELD
NOTICE OF EDUCATIONAL OPTIONS FOR CHILDREN
WHO RESIDE IN THE SCHOOL DISTRICT
(revised January 2025)

In the School District of Greenfield, children and their families have access to a variety of educational options, including many options that are offered directly by the District.

I. The District’s Public Schools

The District’s primary educational pathway and instructional program for students involves a progression from 4-year-old kindergarten through 12th grade, leading to a high school diploma. By engaging in real-world performance assessments throughout their K-12 education, students apply acquired knowledge to address complex, unique problems to demonstrate their abilities and strengths using 21st century skills. We prepare students to approach problems using multiple perspectives in order to thrive in both the known challenges of today, and flourish in the unknown challenges of tomorrow.

The District’s schools and each school’s most recent state-assigned performance category (if available), are listed below:
